### **Chapter 11: Deferred Compensation**

#### **General Information**

The Deferred Compensation Program (DCP) is an Internal Revenue Code (IRC) Section 457 program that provides an opportunity for employees to set aside pretax dollars into a supplemental retirement account. Deferred compensation is an agreement between employee and employer to postpone part of the employee's income until separation from service.

Amounts deferred are held in trust by the Washington State Investment Board for the exclusive benefit of program participants and their beneficiaries. Income deferred reduces the taxable income reported on the employee's Form W-2 for the calendar year in which it was deferred.

Any state employee (full time, part time, working a regular schedule or career seasonal) and any elected or appointed official of the State is eligible to participate. Political subdivision employees may participate subject to any employer restrictions.

#### **Employer Participation in DCP**

The DCP is available to all state agencies and higher education institutions. Political subdivision and school district employers may add this program to their benefit package, provided their governing body adopts a resolution. Information regarding agency enrollment is available by calling a DCP Marketing Representative at (360) 664-7111 or toll free at 1-800-423-1524 Voice/TT.

#### **Employee Enrollment**

Employees may enroll in DCP by completing a Participation Agreement (PA) (shown on page 11—3) and returning the completed form to the DCP office. Upon approval, for employers who use the paper reporting method, DCP will mail a DCP Deferral Amount Change Report with the DCP Transmittal Report to the employee's payroll office. Higher education employers will receive the Change Report with a Banner Page (see page 11—7). The Change Report will reflect the pay date deferrals should begin and reflects the amount elected by the employee for both new participants and participants who are requesting a change to their deferral amount. Political subdivision and higher education employers

cannot start, stop, increase or decrease an employee's deferral until the Deferral Change Report is received.

The Participation Agreement (PA) is a 3-part form. If the employer requires a signed authorization from the employee for establishing a deferral, the employee should submit the Employer's copy of the PA to the payroll office at the same time the original PA is submitted to DCP. The employee should retain the third copy of the PA.

In 2002, the maximum amount a participant may defer from their annual compensation is \$11,000 (\$916 monthly). The participant must contact the DCP office if they want to exceed the monthly amount. For years after 2002, the amount a participant may contribute is shown below:

| Year | Maximum Deferral |
|------|------------------|
| 2003 | \$12,000         |
| 2004 | \$13,000         |
| 2005 | \$14,000         |
| 2006 | \$15,000         |

#### **Changing or Suspending Deferrals**

Employees may change or stop their payroll deduction at any time by calling the DCP Information Line toll free at1-888-327-5596, select option 1, and follow the main menu. Employees can also make changes by accessing their accounts on the DRS Web site at <a href="https://www.wa.gov/DRS/dcp">www.wa.gov/DRS/dcp</a>. Changes can also be made using paper forms, however, the effective date of the change will be the date the DCP third party record keeper receives the form and enters the information into the DCP record keeping system. All deferral changes, including suspensions, will be reported to the political subdivision or higher education institution employers on the DCP Deferral Amount Change Report for use in updating the payroll system.

DCP will mail the confirmation to the employee within two days after an employee request for a deferral change is processed by DCP. If the employer requires a signed authorization to make a deferral change in the payroll system, the employee should be instructed to provide a signed copy of the deferral change confirmation to the payroll office.

## Insert PA

#### Deferrals from Annual and/or Sick Leave Cash Out Payments

Employees may arrange to defer a portion of a cash out payment for unused annual and/or sick leave upon separation from service.

#### **State Agencies**

Deferrals from annual and/or sick leave cash out payments are electronically transmitted to the payroll system after being updated by DRS. The following instructions are for deferrals from annual and/or sick leave cash out payments.

- 1. DRS will email the appropriate payroll when they receive an annual and/or sick leave cash out request:
  - Name of the participant;
  - Last 4 digits of the participant's social security number;
  - Amount of cash out;
  - Date we expect the deferral.
- 2. The deferral must be taken only from the sick and annual leave cash out amount and must be the only deferral taken on the payroll date indicated.

If you have questions about the cash out or if it will not be paid on the date indicated on the email, please contact DCP customer service toll free at

1-800-423-1524. If you need help with payroll data input, please contact the HRISD Help Desk at (360) 664-6400.

#### **Political Subdivisions and Higher Education Institutions**

For questions related to deferrals from annual and/or sick leave cash out payments for political subdivisions or higher education employees, please contact DCP customer service toll free at 1-800-423-1524.

#### **Political Subdivision Reporting**

You will receive a transmittal report for each pay period you are reporting, consisting of a banner page, the DCP Deferral Amount Change Report, the DCP Payment Advice form and the DCP Transmittal Report. You will find examples of each on pages 11—7 through 11—10. These reports are only generated and mailed to the employer when payment has been received and recorded by DCP for the previous pay period.

#### **Banner Page**

The reports have a cover sheet called the banner page. This page is primarily used to identify the employer receiving the report. The banner page also provides such information as:

- the employer's address for mailing reports;
- the return address for mailing payments;
- a message area; and
- a telephone number to call for assistance.

#### **Deferral Change Report**

You will receive the DCP Deferral Amount Change Report authorizing payroll deduction to Deferred Compensation. Deferral(s) should begin according to the effective pay date listed on this report. You will also receive the same report whenever a participant requests to stop their deferrals.

If you have questions about enrollment, deferral revisions or the program, please call DCP Accounting Services at (360) 664-7111 or toll free at 1-800-423-1524 Voice/TT.

#### **Payment Requirements**

When mailing the payment, please include the Payment Advice form. (All checks should be made payable to the Department of Retirement Systems, Deferred Compensation Program).

These documents should be mailed with the DCP Transmittal Report (see page 11—10).

#### **DCP Transmittal Report Packet**

Each month (or twice a month for employers with more than one pay date) you will receive the DCP Transmittal Report. Please make the necessary changes (add termination date information, name changes, etc.), make a

photocopy for your records and return with your check for the same amount as stated on the DCP Transmittal Report. An example of the DCP Transmittal Report packet you will receive prior to your payroll cutoff date is shown on pages 11–7 through 11—10.

Failure to return the DCP Transmittal Report with your check and the Payment Advice form may result in delay of deferral investment.

For reporting procedure questions, please call DCP Accounting Services at (360) 664-7111 or toll free at 1-800-423-1524.

#### Form W-2 Requirements

IRC Section 457 deferred compensation deductions are reported on IRS Form W-2 at year-end. In box 1, "Wages, Tips, Other Compensation" reduce the amount by the amount contributed to Deferred Compensation. In box 12, enter a capital "G" and the amount the employee contributed to IRC Section 457.

If you have questions about Form W-2 requirements, please refer to the W-2 instructions or call DCP Accounting Services at (360) 664-7111 or toll free at 1-800-423-1524.

#### Name/Address Changes for DCP Quarterly Statements

Quarterly statements will be mailed directly to employee homes every three months. Employee name and address records are kept current by employers reporting updates as necessary.

#### **Questions?**

For employee enrollment, deferral modification or general DCP inquiries, please call the DCP office at (360) 664-7111 or toll free at 1-800-423-1524 Voice/TT.

For group presentations, political subdivision agency enrollment and marketing, please call DCP Marketing at (360) 664-7111 or toll free at 1-800-423-1524 Voice/TT.

For payment, transmittal reporting and Form W-2 inquiries, please call DCP Accounting Services at (360) 664-7111 or toll free at 1-800-423-1524.

# DCP Manual (Paper) Transmittal Reporting

#### **Required Information**

Employers who report manually (with paper) use the "DCP Transmittal Report." This report is organized into four distinct sections: header, participant information, deferral information and page and system totals. The following pages provide an explanation of each of these sections. See page 11—10 for an example.

#### **Header Section**

The header section is used to identify the reporting employer. This section contains the following fields.

#### **Reporting Group Number**

Each employer is assigned a unique number that identifies the employer and the system in which the employer participates. Reporting Group numbers range from three to six characters.

#### **Employer Name**

This field identifies the organization name of the reporting group, as it is stored in DRS's database. Contact DCP Accounting Services if the name preprinted on the transmittal report should be changed.

#### **System and Plan**

This field identifies the Deferred Compensation Program and Plan, which is always "D 1."

#### **Reporting Period**

This field identifies the month and year for which information is being reported. The reporting period is six characters formatted MM/YYYY. For example, a reporting period of October 2001 is entered: 10/2001.

The reporting period printed on the report cannot be changed. The report for a given reporting period will not be processed until the report for the preceding reporting period has been processed.

#### Version/Expected

This field identifies the Report Version Number and Expected Monthly Reports. "01 of 01" identifies an employer with only one payday per

month. "01 of 02" or "02 of 02" identifies an employer with two pay days per month.

#### **Prepared By**

This field identifies the name of the individual responsible for preparing the report. Contact DCP Accounting Services if the name preprinted on the transmittal report should be changed.

#### **Telephone**

This field identifies the telephone number of the individual responsible for preparing the transmittal report. Contact DCP Accounting Services if the telephone number preprinted on the transmittal report should be changed.

#### **Page**

This field identifies the page number of the report. The last page of the report is used to record the page and system totals.

#### **Participant Information**

The Participant Information section is used to provide basic identifying information about each individual being reported. This section contains the following fields.

#### **Social Security Number**

This field identifies the participant's Social Security number.

#### Name

This field identifies the name of the participant and is listed as follows:

Last name—followed by a comma and one space
First name—followed by one space
Middle name or initial—not followed by any punctuation

Example: Rosalie Marie Hart is reported: Hart, Rosalie M.

#### Gender

This one-letter code identifies the gender of the participant you report. Valid codes are:

F FemaleM Male

#### Birth

The birth date identifies the month, day, and year the individual was born. The birth date is eight characters, formatted MM/DD/YYYY. For example, March 3, 1951, is entered: 03/03/1951.

#### **Address**

This field identifies the participant's mailing address.

#### **Deferral Information**

#### **Deferral Amount**

This field identifies the amount your employee has requested to be deducted from their check and deferred from federal income tax.

#### **Employment Termination Date**

Use this field to report a participant's employment termination date.

#### Page and System Totals

The Page and System Totals section is used to indicate the total deferral amount being reported. This section contains the following fields.

#### Page Total

This field is used to enter the total amount of deferrals per page.

#### **System Total**

This field is used to enter the total amount of deferrals. If multiple pages are used to report the deferrals, enter the system total on the last page of the report.

#### **Procedures for DCP Manual (Paper) Reporting**

The following pages describe some common procedures for DCP transmittal reporting using the "DCP Transmittal Report." For additional details about these procedures or for information about procedures not covered on these pages, please contact DCP Accounting Services.

#### **General Procedures**

When working with this report:

- Check to see if the information; e.g., address for a participant is still correct. If it is not, you need to correct it.
- Make changes or enter new information, using red ink. Red ink is easier for DCP Accounting Services personnel to see and helps ensure that changes are entered correctly when your transmittal report is processed.
- Change data in the Participant Information section by crossing out the incorrect information. Using red ink, write the correct information next to the information you are changing.
- Adjust the page totals as necessary; after you have made your changes adjust the system total.
- Review the contact information in the header. If your contact name or telephone number has changed, inform DRS by making the change in red ink on the transmittal form. Use the address change area of the banner page to notify DRS of changes in your transmittal report address and return the banner page with the transmittal.
- Make a copy of the transmittal report for your records and send with the Payment Advice form and payment before, on or soon after each payday.

#### **Changing Participant Information**

Most information in the Participant Information section will remain the same each month. If it changes, you will need to correct it. If an employee changes names or an address, draw a line through the preprinted information and add the correct information to the right of the preprinted information.

#### **Corrections to the Deferral Amount**

You can make corrections on your transmittal report. The adding/subtracting method allows you to use a single line to make a correction to a participant's deferral amount.

**Note:** To adjust a DCP participant's deferral, determine the current deduction. Then add to or subtract from this amount to determine the appropriate amount to report to DRS. Employers should contact DCP Accounting Services before making this type of adjustment.

#### **Adjusting Page and System Totals**

If you change an employee's reported deferral amount, you must adjust the page and system totals. Page totals must be entered on each page of the report. System totals must be entered on the last page of the report.

#### **Separating Employees from the Transmittal Report**

Use the Employment Termination Date column to submit the participant's employment termination date.

# New DCP Participants are listed on the DCP Deferral Amount Change Report

**Note:** The DCP Deferral Amount Change Report will be distributed to employers and is authorization (per the employee) for a new deduction amount. Employers should not establish a DCP deduction before receiving approval from DRS.
